LANDSCAPE DEPARTMENT

OUTDOOR LIVING

To fully appreciate our modern homes, all the necessary facilities should be provided for outdoor relaxation.

Much of our leisure time can be spent in the fresh air and sunshine. Privacy may be obtained by planting a shrub or evergreen border. Roses, peonies, etc., can be added for refinement and color.

An evergreen foundation planting can add greatly to the value and beauty of your home, and by proper selection the plants will never obscure vision or become overgrown.

FINE EVERGREENS

Evergreens have always been one of our specialties. The quality of our soil permits digging with a solid ball of earth, and frequent transplanting or rootpruning develops the fine root-system so essential to successful transplanting.

All evergreens listed here will be supplied with ball of earth (B & B).

JUNIPERUS

While the Pfitzer Juniper tolerates shade quite well, the family in general likes sun and can stand dry, hot situations.

GENERAL INFORMATION

PRICES in this list cancel all previous listings and are subject to change without notice. MICHIGAN STATE SALES TAX IS TO BE ADDED TO ORDERS FROM WITHIN THE STATE.

HARDINESS OF STOCK. Grown in the heart of Michigan, our materials are perfectly hardy.

STATE INSPECTED. Our nurseries are certified by the State of Michigan to be free from dangerous insects and dangerously contagious tree and plant diseases.

TERMS. Cash, unless other written arrangements are made at time of acceptance of order. Customers with established credit: 30 days net.

CLAIMS. When stock is not delivered by our truck, our responsibility ceases upon delivery of stock in good condition to transportation company. Claims for damage while stock is in transit should be made promptly to the transportation company.

GUARANTEE. Our stock is guaranteed to be true to name and of the quality and size described in this list. Since we have no control over planting or weather conditions, our responsibility ceases there. Stock planted and supplied by us will be replaced at half price if dead from natural causes before August 1st after the previous fall or spring of planting, provided the materials have received normal care, and provided payments have been made as arranged. Due to the labor scarcity, we must charge for labor of planting replacements. Shade Trees planted by us with frozen ball of earth, will, in case of death before August 1st after planting, be replaced at half prevailing price or half of purchase price will be refunded if we cannot duplicate original purchase. This guarantee excludes fatalities from tornado, severe drought, abnormal winter or other conditions over which we have no control. In no case shall we be responsible for more than the amount originally paid for the merchandise.

Above General Information refers only to stock sold at retail.

SUNDAYS. Closed Sundays except by appointment.

ONE VIGOROUS PLANT
that you know will thrive, and
bloom true to description, is
worth any amount of poor
plants . . . no matter how little
you pay for them.
